Contd..2/-

The subject valve may be exported to your authorized Indian Distributor. The distributor shall submit Manufacturing & Test report, duly vetted by Third Party Inspecting Agency along with requisite documents for obtaining a licence in Form – 'D' under Gas Cylinder Rules, 2016. This office approval No. and date shall be mentioned in every test and inspection certificate. The subject valves shall be covered under Product Liability Insurance by you or your authorized distributor.

You shall submit performance report for the period 30/09/2023 to 30/09/2024 duly signed by authorized signatory at the earliest.

The provisionally approval shall remain valid up to **30/09/2025** and the same is liable to be reviewed, amended or withdrawn at any time, if any valve is manufactured in contrary to the provisions of the fabrication code, design drawings approved by this office and Gas Cylinders Rules, 2016..

You are also advised to arrange for physical inspection of manufacturing unit as per Rule 3(3) of Gas Cylinder Rules, 2016.

Please note that no further extension of validity shall be granted without physical evaluation of the subject manufacturing unit.

Yours Faithfully

(Renjith P A)
